REAR VIEW

You must savor those rare and delectable moments. You're walking down the street, or maybe you're at a gas station fueling up. Suddenly you see a woman saunter by with a figure so hot it challenges the definition of perfection—specifically in the posterior department. When you catch sight of one of those backsides, you can only hope you're wearing sunglasses so you can feast your eyes without making the possessor of said posterior uncomfortable, should she be of the shy variety. But guess what—you don't have to worry about such things as you peruse this Playboy Special Collector's Edition. We've collected 100 pages of photographs for this issue. These women are bound to leave you breathless, so keep an oxygen tank on hand.
